Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Money Assassins: How They Stole Your Financial Freedom & How You Can Get it Back, Chad Viminitz, This is the essential guide to eliminating debt and creating wealth in an economy stacked against you. The book explains to readers why we are set up to fail financially. Learn about the three Money Assassins that have hindered the financial well-being of individuals: the evolution of our consumer culture and marketing's drastic transformation since the 1970s; advancements in technology and today's access to credit. Examine how to reduce financial stress, and unlock the secret to the investor-saver confusion in order to live a life of financial courage. This book gives readers a new and refreshing analysis on how to beat debt and increase wealth. It ultimately attempts to answer the question: Why are so many smart, hard working Canadians breaking the most basic financial rule "spend less than you make"? Many Canadians find themselves caught up in debt and don't know how to stop their spending. Chad looks at how access to debt, marketing, and an out of control consumer culture have lead the middle class to feel powerless about their finances. Modern technologies have become a requirement to participate in today's culture, but do all of the cell phones, computers, over-sized homes, and extra cars really make us much happier than we were fifty years ago? Ultimately, "Money Assassins" promotes an overhaul of consumptive patterns by providing real solutions on how to overcome debt and recapture financial stability.
