Brand New Book ***** Print on Demand *****.Excerpt from Educational Survey of Spalding County Georgia The value of all taxable property in Spalding county, as returned to the county Tax Receiver, is approximately $6,000,000.00, about half of which is located inside of the city of Griffin. However, the half within the city limits is returned for city taxation at about $4,000,000.00, taxed for school purposes at four mills, and bonded for building adequate school houses; while the half in the rural districts is returned for taxation at about $3,000,000.00, taxed for school support at two mills, and leaving the building of school houses to the interest or indifference of individuals or communities. In Georgia, country people will rarely vote for bonds for anything except the building of court houses and jails, while every city has pledged its property for adequate school houses for the children.
