Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Walker Books Ltd. Paperback. Book Condition: new. BRAND NEW, Deathwatch, Nicola Morgan, This is a spine-chilling modern thriller from the award-winning author of "The Highwayman's Footsteps and Fleshmarket". Someone is watching Cat McPherson. Is it a young man with schizophrenia, a retired insect-collector, or Cat's ex-boyfriend? Or it could be someone else entirely. An obsession with insects seems to link them all. And Cat hates insects. But does she even realize that she's being stalked? She's easy prey, especially as she has given away so much about herself on an internet site. A talented athlete, she's too busy with the pressures of training, and deciding whether she really wants to run for a living. The trouble is, soon she will have to run for her life.
