This esay indicates the main financial instruments which are to achieve cohesion. It identifies crucial factors leading to successful implementation of European funding programmes. The essay addresses the following issues: 1. Analysis of the relationship between the two objectives of the cohesion policies, growth and reduction of disparities. Are there any contradictions or tension between these objectives or do they just complement each other 2. Analysis and comparison of the priorities of the European Regional Development Fund (ERDF) and the European Social Fund (ESF) in the light of the overall objectives for the cohesion policies. What are their differences in scope Where are similarities Where are potential synergies 3. For the funding period 2007-2013 the budget of the European Structural Funds is dedicated to certain objectives and financial instruments....
