Short Story WritingA Practical Treatise on the Art of the Short Story Short Story Writing for Beginners and the Advanced Writer How to Write a Short Story An Essential Element - The Essential ElementComplete EditionBy Charles Raymond Barrett This book is an attempt to put into definite form the principles observed by the masters of the short story in the practice of their art. It is the result of a careful study of their work, of some indifferent attempts to imitate them, and of the critical examination of several thousands of short stories written by amateurs. It is designed to be of practical assistance to the novice in short story writing, from the moment the tale is dimly conceived until it is completed and ready for the editor s judgment.The rules and principles here presented embody not what I conceive to be right, but what the great masters of the short story have thought to be right, and what they have proved to be at least successful. I speak only as a delver...
