She dreams and muddles her way through her days, bumbling her chores and exasperating her mother. But when evening comes, and with it the Talemeet, Calantha comes to life. She is open and attentive to everything: the Gathering, the words of release, the Tale itself, and the harmony after, when the villagers, their worries put away for a while, peacefully watch the seeds waft way. And then something dreadful happens. In every field, in every ditch across the Plains where Story Pods used to grow, there is no new growth. Calantha is sickened, and not just by thinking about the end of the Tales. She can't stand that no one else seems to care: the threat from the northern king is worry enough, they believe. So she decides it's up to her to do what's necessary: to seek the legendary Sower of Tales, and find out what's really happening on the Plains. In "The Sower of Tales," Governor- General's Award-winning author Rachna Gilmore has created a fantastic world and a stirring adventure; and Calantha, impatient and stubborn, dreamy and single-minded is an entirely human heroine whose personal journey goes straight to the heart.
