What becomes of a marriage to someone who has been sexually, physically, and emotionally abused for fifteen years by their own father? Real Beast: Abused is a gripping and compelling true story of two people whose love becomes corrupted by their past, family ties, cultures, and their Muslim and Christian religion. The strikingly beautiful Laila, a Pakistani Muslim s life is plagued by every type of abuse from a young age, which leaves her distorted, conflicted, and questioning her sexual identity. Her husband Arthur, falls victims to Laila s attempts to replace her own culture, and sexuality, with a material and carnal way of life. Soon he realizes there s a hidden side to Laila long term agenda. Neither the purity of her husband s devotion and love, nor the birth of a son is enough to overcome malicious desires to consume her adopted culture and its trappings. Money, and her submission to sexual deviance cultivates this insightful story of the inescapable and inseparable psychological realities of abuse, love and culture-vices that can all release the Real Beast. This book is a must read for anyone with an urge to observe the long term effects of abuse and the melting of different and often opposing culture s ideals on Sexuality, Loyalty and Love.
