Grunaskhan Books. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.0in. x 6.1in. x 0.6in.I was born of the Devil. That is what they said. I was a conjure of night and fog, and the grave was the womb from which I emerged. Abandoned as a baby outside the cemetery gates and raised by the towns executioner, Marcus grows into a giant as unfeeling as Death. Traveling fanatics arrive in his Bavarian town bringing not the Word of God, but the Great Dying. As plague consumes his world, Marcus searches for his missing daughter. Following her tracks in the snow, he encounters the mad, the desperate, and the wickedand a resourceful young child whose hope and resiliency infect him as the plague did not. Plaguewalker is a dark but ultimately redemptive historical novel set in Bavaria in the mid-fourteenth century and told from the perspective of its protagonist, the amoral executioner Marcus of Ansberg. As readers journey through a world upended by the plague, they will experience both the brutality of the period and the awakening of a conscience in a man who had believed himself damned. A stunning and thoroughly satisfying debut. . . A riveting, moving tale of atonement and reconciliation, redemption and salvation. The authors audacious choicesa fearsome executioner and expert in torture as point-of-view character and protagonist; the Black Death as catalyst for this same anguished mans evolution and deliverancepay off in a page-turner of a book thats near-impossible to put down. Tarlachs feel for time and place is authentic and evocative, her language crisp and poetic, and her characterization spot-on: Marcus, stoic and struggling, is an effective, affecting narrator, while bold little Brenna wins the readers heart right along with her protectors. All told, Plaguewalker is one of the best novels Ive read in years....
