Dimensions: 9.0in. x 6.0in. x 0.4in.Twenty Years at Hull House is an outstanding example of the humanitarianism movement in America at the turn of the century. Jane Addams, the author and narrator of the book, was born in Illinois. Early in her life she began to see the effects of poverty on people. She recalls one incident early in her life of seeing a homeless man on the street. She asked her father why that was, and he replied that that was just the way things were. Her father was a Quaker and the most prominate role model in Janes life. As a child she grew up wanting to be just like him. For a while, she aspired to be a mill owner just like him. Her mother is not mentioned in the book at all. Jane went to Rockford College and soon toured London. It was there that she came up with the idea of the Hull House. Hull House was a settlement house in Chicago. It offered day care and college level classes for women. Spawning from her work at the house, Jane joined many causes that she passionately fought for. These causes included working hours for women, child labor laws, and juivenile court. She could be considered an early feminist. Also from her work at Hull House, Jane started studing the causes of poverty and the effects it had on society. She was not satisfied with just the success of her house; she wanted to know why there was a need for it at all. Later in her life she joined the womens sufferage movement. Jane Addams was a wonderful reformist and feminist that sought to better the country. Twenty...
