DOWNLOAD

Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Discover the power of influence, persuasion and mind control with this practical guide to the art of conversational hypnosis. Conversational hypnosis, also commonly known as covert hypnosis, is the art of influencing others by giving them direct subconscious commands to follow, which seem like normal everyday conversation. It is a style of communication that you will use to subtly direct anyone s subconscious mind to take action. When you practice the methods in this book you are going to be using hypnotic language patterns to influence others to take action and do what you want. It is not just what you are saying that is going to compel others to take action; it is a combination of how you say what you are saying. You are going to be learning how to use your voice, posture and body language in order to deliver a hypnotic command in a seemingly normal conversation that will influence the person you are talking to take action. After reading this book, you will master. how to subtly direct anyone s subconscious mind to take action the hypnotic language patterns that easily break down the walls of resistance and implant the desire to complete whatever action it is that you want them to take. how to make others believe that the action you are convincing them to take is a fun, safe and perfectly natural thing to be doing. If you want, they will even believe it was their idea in the first place the basic hypnotic formula, building rapport, psychological devices (hypnotic points), trick phrases, trance states, and other hypnotic tools that all hypnotists must have in their arsenal. and much, much more. With this book, you...
