Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Collection of 61, story telling poems, with dramatic conflicts and coincidences, very strange and unexpected conclusion on each subject of love war, love for war and war for love. Love, all what we do is for our love, and everything starts and ends on the basis of love, on account of love, and on the expectation of love. Love for a man or for a woman, love for money and wealth to accumulate and add, love for travel, love to conquer, love to save oneself and love to save others, love to fight and win. Love for peace and love for the real love. All love in the world create war, and all our war is for love of any sort, within. We create war for peace and we fight against war for peace, the contrast. It is our passion, love and imagination that make things beautiful or filthy as per our own vision. One can convert Desert in to Garden and a Garden in to Desert, using or misusing...
