Dynamic Detente: The United States and Europe, 1964-1975 (Hardback)

By Stephan Kieninger

Lexington Books, United States, 2016. Hardback. Book Condition: New. 239 x 157 mm. Language: English . Brand New Book. This book examines the dynamic evolution of Western detente policies which sought to transform Europe and overcome its Cold War division through more communication and engagement. Kieninger challenges the traditional Cold War narrative that detente prolonged the division of Europe and precipitated America s decline in the aftermath of the Vietnam War. Rather, he argues that policymakers in the U.S. Department of State and in Western Europe envisaged the stability enabled by detente as a precondition for change, as Communist regimes saw a sense of security as a prerequisite for opening up their societies to Western influence over time. Kieninger identifies the Helsinki Accords, Lyndon Johnson s bridge building, and Willy Brandt s Ostpolitik as efforts aimed at constructive changes in Eastern Europe through a multiplication of contacts, communication, and cooperation on all societal levels. This study also illuminates the longevity of America s policy of peaceful change against the background of the nuclear stalemate and the military status quo.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- ***Joshua Gerhold PhD***

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
