The Red Ruby

By Seshadri, Niranjan

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In his debut book, Dr. Niranjan Seshadri's free verse poetry paints a metaphorical Odyssey through the mind. The mind is conditioned from birth by our likes and dislikes. Every experience is weighed on a scale of pleasant or unpleasant. The balance of the two ultimately determines our level of happiness. The road to greater joy travels through each individual's mind. Memorable events cloaked in sounds and visuals have the power to shape our thinking. Memories are created and enjoyed if there is a real life narrative to go along with it. Perhaps the greatest storyteller of all is our own minds. Effortlessly weaving past memories and future plots into the present context, the mind has the ability to make the imaginary appear very real. We are the protagonists in our own life story. The recital of thoughts going through our consciousness may never answer all the hard questions such as the deeper meaning of our existence, but it keeps life interesting. In the end, what really matters is a consciousness brimming with happiness. A careful inquest into why we don't have...
