Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

GUNS N ROSES USE YOUR ILLUSION I AND II

DOWNLOAD

Bloomsbury Publishing PLC, United Kingdom, 2007. Paperback. Book Condition: New. 160 x 119 mm. Language: English . Brand New Book. It was the season of the blockbuster. Between August 12 and November 26 1991, a whole slew of acts released albums that were supposed to sell millions of copies in the run-up to Christmas. Metallica, Michael Jackson, Pearl Jam, Nirvana, Garth Brooks, MC Hammer, and U2 - all were competing for the attention of the record-buying public at the same time. But perhaps the most attention-seeking act of all was Guns N Roses. Their albums Use Your Illusion I II , released on the same day, were both 75-minute sprawlers with practically the same cover design - an act of colossal arrogance. On one level, it worked. The albums claimed the top two chart positions and ultimately sold 7 million copies each in the US alone. On another level, it was a disaster. This was an album that Axl Rose has been unable to follow-up in fifteen years. It signalled the end of Guns N Roses , of heavy metal on the Sunset Strip and the entire 1980s model of blockbuster pop/rock promotion. Use Your Illusion marked the end of rock as mass culture. In this book, Eric Weisbard shows how the album has matured into a work whose baroque excesses now have something to teach us about pop and the platforms it raises and lowers, about a man who suddenly found himself praised to the firmament for every character trait that had hitherto marked him as an irredeemable loser.
