First and second language acquisition

By Susanne Wrobel

GRIN Verlag Nov 2013, 2013. Taschenbuch. Book Condition: Neu. 211x146x7 mm. Neuware - Studienarbeit aus dem Jahr 2013 im Fachbereich Anglistik - Sonstiges, Note: 1,0, Ruprecht-Karls-Universität Heidelberg (Anglistisches Seminar), Veranstaltung: Psycholinguistics, Sprache: Deutsch, Abstract: We acknowledge the fact that to learn any language takes time. It is a process and not instantaneous as we have all experienced whether it was through our first or our second language. Most of us though don't remember putting much effort into learning our mother tongue but remember well the effort we put into learning a foreign language. Understanding the underlying processes can especially be valuable to teachers and learners of a second language. It can help teachers with their teaching methods and both teacher and learner can be more patient and enjoy exploring the new language. Processes in first and second language acquisition share common sequences but are still different and vary especially in the outcome. While all speakers achieve native proficiency in their first language, they do not or are not able to do so in their second. 28 pp. Deutsch.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- ***Dana Hintz***

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
