Excerpt: . not so happy a race as the English songsters, as if life had more trials for them, as doubtless it has in their enforced migrations and in the severer climate with which they have to contend. I/Vhen one hears the European cuckoo he regrets that he has ever heard a cuckoo clock. The clock has stolen the bird s thunder; and when you hear the rightful owner, the note has a second-hand, artificial sound. It is only another cuckoo clock off there on the hill or in the grove. Yet it is a cheerful call, with none of the solitary and monkish character of our cuckoo s note; and, as it comes early in spring, I can see how much it must mean to native ears. I found that the only British song-bird I had done injustice to in my previous estimate was the wren. It is far superior to our house wren. It approaches very nearly our winter wren, if it does not equal it. Without hearing the two birds together, it would be impossible to decide which was the better songster. Its strain has the same gushing, lyrical character, and the shape, color, and manner of the two birds are nearly identical. It is very common, sings everywhere, and therefore contributes much more to the general entertainment than does our bird. Barrington marks the wren far too low in his table of the comparative merit of British song-birds; he denies it...
